

KULTUR DIREKT

SPRING FORWARD, FALL BACK (by Jeff Hemmer)

I'M AFRAID, DEAR READER, I CAN'T TELL YOU MUCH ABOUT

WHAT KATIE AND JULES TALKED ABOUT THAT DAY.

AS SOON AS WE HIT THE PARK, I TUNED OUT OF THEIR CONVERSATION.

MY THOUGHTS WENT BACK TO DON'S WORDS. IF THERE REALLY IS

ONLY ONE "TIME", THE "NOW", DOES IT MEAN WE CAN EXPERIENCE SPRING, SUMMER, AUTUMN AND WINTER

IN ONE AND THE SAME INSTANT?

OR, PERHAPS, IN RANDOM ORDER?

Should I tell her about it?

I've only known her for two hours...

It's not really a part of me, is it? If I didn't tell her about it, would that make me

Isn't silence such a beautiful thing to share?

Yes, Katie! You are right!

AT NIGHT...

AUTUMN, WHEN

WINTER SENDS IN

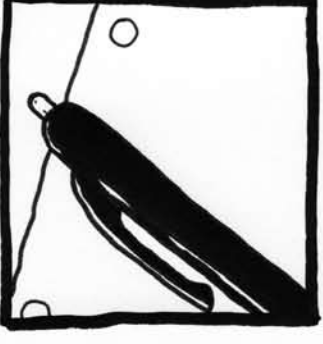

Some of the most common side effects include: nausea, dry mouth, dizziness, nervousness, loss of appetite, impotence, erection problems, decreased sex drive, body aches, weakness, sweating. IT'S FIRST COLD

Common side effects include: headache, drowsiness, loss of appetite, impotence, erection problems, decreased sex drive, body aches, priapism, seizures. WINDS TO SCARE

AWAY THE LAST

COLOURFUL REMINDERS

OF SUMMER?

my awkward silence suspended above your head standing ovation.
